The TSR Elite Academy is our flagship course aimed at young cricketers who aspire to play District and County cricket. All the coaching is run or structured by County Age Group coaches with guidance and support from current professional first class cricketers who know exactly what it takes to become the best.

This is the perfect opportunity for all young cricketers to get a head start going into the 2016 season.

TSR Head Coaches:

Mark Evenson: Head Coach

ECB Level III coach, an experienced Warwickshire County age group coach for both boys and girls over the past 9 years and delivered JEPP, EPP and Academy coaching. Bromsgrove Cricket Club 1st XI captain and represented Worcestershire County Age groups up to U19.

Kelly Evenson: Head Coach

ECB Level III coach, an experienced Warwickshire County age group coach for both boys and girls over the past 11 years and delivered JEPP, EPP and Academy coaching. Represented England A and Junior England squads

Throughout the Academy courses TSR will be supported by current and ex professional cricketers. These sessions will provide an insight into the levels required to become a professional cricketer and support your child to get ahead this winter. Players previously supporting the sessions have been Gareth Andrew (Worcs), Alexei Kervezee (Worcs), Boyd Rankin (Warks) Peter McKay (Warks), Gary Steer (Derby & level IV), Matthew Lamb (Warks), Aaron Thomason (Warks) Alex Milton (Worcs) Charley Hartley (Kent)

What to Expect: Elite Academy Course

- Individually tailored coaching programs geared specifically to improve your child's development across all disciplines.
- Expertise coaching from level III County age group coaches or professional cricketers
- Regular video analysis on batting, bowling, wicket keeping
- Specialist sessions on Batting, pace / spin bowlers, and wicket keeping
- Specialist fielding sessions from WCCC Academy fielding coach
- Use of bowling machines during sessions
- Group nets and match scenario sessions
- Strength and conditioning sessions
- Fitness testing and programmes for each individual
- Player reports with a specific programme of work
