

Cricket Development TSR

Our team of professional coaches have the opportunity to inspire children to do the things that inspire them during the school holidays which is the best thing in the world. The fun part is trying to figure out all the different ways we can do that. We have a history of successfully de-livery holiday courses to youngsters for over thirteen years and ensuring they leave making many new friends and having learnt new skills.

The courses we offer below will provide your child with a sound technical and tactical understanding of the game in a fun and safe environment.

Cricket Development Course Overview

Cricket Development Courses: -

The coaching camps will be led by TSR coaches and provide an ideal opportunity for young cricketers to practice, learn and enjoy all formats of the game.

The drills and games will replicate the way County 1st team cricketers train. Most of the techniques and skills learnt can be used in all forms of cricket so the coaching can have a real impact on any young cricketer.

The mornings will be skills and drills to develop the players batting, bowling and fielding. The afternoon will be a World cup competition where all children will play matches which will be part of an ongoing league throughout the week.

In the event of inclement weather we will still be looking to go outdoors as much as possible so please bring appropriate clothing as detailed below.

Cricket Development WHAT I NEED TO BRING

CLOTHING: (tracksuit bottoms / shorts, t-shirt, sweatshirt, warm waterproof clothing / jacket and a change of footwear.

TRAINING KIT: (Where suitable, helmet, cricket box, pads, gloves, thigh guard, bat)

REFRESHMENTS: (Players will require a packed lunch with the exception of the junior programme. Please ensure all players have plenty of non fizzy drinks with them)

ADDITIONAL ITEMS: (Sun block / sun hat, please *note we can not administer sun block*, outdoor footwear / spikes.

MEDICATION: (Please note we cannot administer medication)

HAND SANITISER: please can we ask all participants to bring hand sanitiser for the course.
